

International

Name: Frank Sliwka
Position: CEO
Institut: Global Games Media
Branch: Consulting

Topic of his Speech:

„Welcome“

Biography:

* Frank Sliwka came in contact with the games industry in 1997. Five years ago he established his first company Global Games Media. Since then he works successfully together with the Leipziger Messe at the GC - Games Convention. Since 2003 he created the GC Developers Conference (GCDC), and is in charge as its Project Director. Today the GCDC is one of the leading Conferences for Game Development in the world.

* Since 2007 he is the Conference Director of GC Asia Conference in Singapore.

* Besides Frank Sliwka works in the eSports Sector and creates the worldwide leading International Conference for eSports and Gaming Communities (International eSports Conference). At the end of 2004 he founded the "German eSports Association" and was elected as the chairman of the "German eSports Association". The association is the superior and independent institution for eSports in Germany.
